

## **CONFERENCE CENTER PROCUREMENT OPPORTUNITIES**

The Montgomery County Conference Center/Hotel complex is a joint project of the State of Maryland, Montgomery County and private sector investors. The overall project consists of a 100,000 gross square foot conference center, with the third largest ballroom in the County, boardroom, classrooms and other meeting rooms, and a 225-room Marriott hotel. While the Conference Center is a joint development between the State and the County, overall project management rests with the Maryland Stadium Authority. Montgomery County is not procuring any goods or services directly. The development of the Marriott Hotel is being managed by Quadrangle Development Corporation, located in Washington, D.C.

The following procurement opportunities are available relative to the conference center, with appropriate contact information noted below.
